Each Owner of a Unit shall be entitled to the exclusive ownership and possession of such Owner's Unit, subject to the terms and conditions of this Declaration.

(b) No Owner may alter its Unit, subdivide its Unit or relocate the boundaries between a Unit and an adjacent Unit, except as expressly provided by this Declaration and the Act.

(c) Except as expressly provided to the contrary in this Declaration, the Interest in General Common Elements and the right to use Limited Common Elements appurtenant to the Unit may not be partitioned or separated from the Unit or any part thereof; provided that this subparagraph shall not prejudice or otherwise affect the rights set forth in Article XIII and Article XIV of this Declaration in the event of casualty or condemnation.

(d) Notwithstanding anything to the contrary contained in paragraphs 3.02(b) and 3.02(c) above or elsewhere in this Declaration:

(i) nothing shall prevent or limit Declarant's exercise or enjoyment of any Special Declarant Right;

(ii) an Owner may grant its rights to use any General Common Element or any Limited Common Element appurtenant to the Owner's Unit to the Owner's Guests;

(iii) the Owner of a Commercial Unit may construct partitions within its Commercial Unit and lease separate portions of its Commercial Unit to one or more lessees if otherwise permitted by the Act or applicable law; and

(iv) the Owner of a Commercial Unit may assign all or a portion of the voting rights allocated to its Commercial Unit to one or more lessees to whom the Owner leases all or a portion of its Commercial Unit, on the conditions set forth in paragraph 5.01 below.

(v) the Owner of a Commercial Unit may convert any portion of any Commercial Unit into one or more Commercial Units subject to the following instructions and limitations:

A. the conversion of such space complies with all applicable laws, ordinances, codes, rules and regulations of all governmental or quasi-governmental bodies with jurisdiction; and

B. the Declarant has prepared, executed and recorded an amendment to this Declaration and a supplemental record of survey map as required by the Act in order to effect the conversion of such space.

Subject to the foregoing, the Owner of any Commercial Unit shall have the sole power and authority to convert, and shall be a Declarant for the limited purpose of converting, such Commercial Unit as set forth in this section, subject however to the limitations and provisions contained in this section and in the Act. Such power and authority, as a Declarant, to so convert a Commercial Unit shall be an appurtenance of the Commercial Unit in question, may not be separated from the ownership of such Commercial Unit, and shall be automatically transferred to and held by any successor in title to such Commercial Unit who shall become a Successor Declarant for the limited purpose of converting such Commercial Unit as set forth in this Section, subject to the limitations and provisions contained in this Section and the Act. Any Commercial Unit not converted in accordance with this Section and the Act, or the portion of such Commercial Unit not so converted, shall be treated for all purposes as a single Commercial Unit until and unless it is so converted, and this Declaration and the Act shall be deemed to be applicable to any such Commercial Unit, or portion thereof, as though the same were a Commercial Unit.

3.03 Interests in General Common Elements.

(a) The Interests in General Common Elements shall be allocated among the Units as set forth in this Section 3.03. The Interest in General Common Elements appurtenant to a Unit shall be expressed as a percentage and calculated in accordance with the following formula:

$$\text{Interest in General Common Elements} = \frac{(\text{Par Value of the Unit}) \times 100}{(\text{Total Condominium Project Par Value})}$$

In determining the Interests in General Common Elements, Declarant may have made minor adjustments in some or all of the Interests in General Common Elements which result from a strict application of the formula described in the immediately foregoing sentence for the purpose of assuring that the total Interests in General Common Elements equals 100.00%. The Interests in General Common Elements which are appurtenant to the Units and which are set forth on Exhibit D have been computed in the aforesaid manner.

(b) The Interest in General Common Elements appurtenant to each of the Units of the Condominium Project are set forth on Exhibit D attached hereto and made a part hereof.

(c) The Interest in General Common Elements shall have a permanent character and shall not be altered without the express consent of all Owners expressed in an amendment to this Declaration adopted as provided in Section 18.03 hereof. If any Units are added to or withdrawn from the Condominium Project, or if the Area of one or more Units is increased or decreased, the

Interest in General Common Elements for all Units within the Condominium Project after such addition or withdrawal, increase or decrease shall be recalculated in accordance with the formula set forth in paragraph 3.03(a) above. In making any such recalculation, Units that are substantially identical shall be assigned the same Par Value. Units with substantially different heights above the ground, or having substantially different views, or having substantially different amenities or other characteristics that might result in differences in market value, may be assigned different Par Values. The Par Value assigned to a Unit shall not be considered to reflect or control the sales price or fair market value of any Unit, and no opinion, appraisal, or fair market transaction may affect the Par Value of any Unit, or such Unit's Interest in General Common Elements, voting rights in the Association, liability for Common Expenses, or the right to any common profits, assigned on the basis thereof.

(d) Except as expressly provided to the contrary elsewhere in this Declaration, an Interest in General Common Elements may not be partitioned from the Unit to which it is appurtenant, and any purported conveyance, encumbrance or transfer of an Interest in General Common Elements made without the Unit to which the Interest in General Common Elements is appurtenant shall be void. The immediately foregoing sentence shall not prejudice or otherwise affect the rights set forth in Articles XIII and XIV of this Declaration in the event of casualty or condemnation. There shall not be any restriction upon on Owner's right of ingress to and egress from such Owner's Unit.

3.04 Limited Common Elements.

Except as expressly provided to the contrary in this Declaration, the allocation of the Limited Common Elements to the Units as shown on the Map may not be altered without the consent of all Owners whose Units would be affected by such reallocation.

3.05 Separate Taxation of Condominium Units.

Pursuant to the Act, each Condominium Unit constitutes a separate parcel of real estate and will be separately assessed and taxed.

3.06 Description of Condominium Units.

Any deed, lease, mortgage, deed of trust, or other instrument conveying, encumbering or otherwise affecting a Condominium Unit shall describe the interest or estate substantially as follows:

[Residential Unit ____/Commercial Unit ____], contained within the Eagle Springs East Condominium Project as the same is identified in the Record of Survey Map recorded in Salt Lake County, Utah, on ____, 200_ as Entry No. ____ (as said Record of Survey Map shall have heretofore been amended or supplemented) and in the Declaration of Condominium for Eagle Springs East Condominium Project, recorded in Salt Lake County, Utah on ____, 200_ as Entry No. ____, in Book No. ____ at Page ____ (as said Declaration may have heretofore been amended or supplemented). TOGETHER

WITH the undivided ownership interest in said Project's Common Elements that is appurtenant to said Unit as more particularly described in said Declaration.

Whether or not the description employed in any such instrument is in the above-specified form, however, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Condominium Unit. Neither the Interest in General Common Elements, nor the right of exclusive use of the Limited Common Elements, shall be separated from the Unit to which it appertains; and, even though not specifically mentioned in the instrument of transfer, such Interest in the General Common Elements and such right of exclusive use shall automatically accompany the transfer of the Unit to which they relate.

3.07 Interpretation. In interpreting this Declaration, the Map or any deed or other instrument affecting the Building or a Unit, the boundaries of the Building or Unit constructed or reconstructed in substantial accordance with the Map shall be conclusively presumed to be the actual boundaries rather than the description expressed in the Map, regardless of settling or lateral movement of the Building and regardless of minor variance between boundaries shown on the Map and those of the Building or Unit.

ARTICLE IV THE ASSOCIATION

4.01 Formation of the Association.

On or before the date on which Declarant conveys the first Unit to a Purchaser, Declarant shall form the Association.

4.02 Purposes and Powers.

(a) The Association's purposes are:

(c) Without in any way limiting the generality of paragraph 4.02(b) above, the Association may, but is not obligated to:

(i) to the extent not provided by a public, quasi-public or private utility provider, provide certain facilities and services to the Owners, such as (A) recreational facilities and services, (B) water, sewer, propane, electric, cable television and other utility services, (C) parking facilities, and (D) trash collection facilities and services for residential purposes only;

(ii) the pedestrian access provided for in Section 11.07 hereof; or

(iii) snow removal, maintenance and repair of the roof of the Building.

4.03 Association Documents.

(a) This Declaration and the Map create the Condominium Project and set forth certain covenants, conditions, restrictions, reservations, easements, assessments, charges and liens applicable to the Land. The Articles create the Association. The Bylaws provide for the regulation and management of the Association, and the Rules and Regulations provide for the regulation and management of the Condominium Project.

(b) If there is any conflict or inconsistency between the terms and conditions of this Declaration and the terms and conditions of the Articles, the Bylaws or the Rules and Regulations, the terms and conditions of this Declaration shall control. If there is any conflict or inconsistency between the terms and conditions of the Articles and the terms and conditions of the Bylaws or the Rules and Regulations, the terms and conditions of the Articles shall control. If there is any conflict or inconsistency between the terms and conditions of the Bylaws and the terms and conditions of the Rules and Regulations, the terms and conditions of the Bylaws shall control.

4.04 Books and Records.

The Management Committee, or manager, if any, shall keep detailed, accurate records in chronological order, of receipts and expenditures affecting the Common Elements, specifying and itemizing the Common Expenses and any other expenses incurred. Upon request, the Association shall allow Owners and Mortgagees and their respective agents to inspect current copies of the Association Documents and the books, records, budgets and financial statements of the Association during normal business hours and under other reasonable circumstances. The Association may charge a reasonable fee for copying such materials.

ARTICLE V
VOTING

5.01 Voting.

(a) At any meeting of the Association, the Interest in General Common Elements appurtenant to a Unit may be voted in connection with issues presented to the Owners for vote.

(b) The votes allocated to the Units of the Condominium Project are equal to the Interests in General Common Elements set forth on Exhibit D attached hereto and made a part hereof.

(c) If any Units are added to or withdrawn from the Condominium Project, or the Area of one or more Commercial Units is increased or decreased, the total number of votes allocated to all Memberships and the allocation thereof after such addition, withdrawal, increase or decrease shall be adjusted so that such votes at all times remain equal to the Interest in General Common Elements appurtenant to such Unit.

(d) Each Unit shall be entitled to the number of votes allocated to it in accordance with paragraphs 5.01(a), (b) and (c) above, regardless of the number of Owners of the Unit. If the Owners of a Unit cannot agree among themselves as to how to cast their votes on a particular matter, they shall lose their right to vote on such matter. If any Owner casts a vote representing a particular Unit, it will thereafter be presumed for all purposes that the Owner was acting with the authority and consent of all other Owners with whom such Owner shares the Unit, unless objection thereto is made by an Owner of that Unit to the Person presiding over the meeting at the time the vote is cast. If more than the number of allocated votes are cast for any particular Unit, none of such votes shall be counted and all of such votes shall be deemed null and void other than to determine whether a quorum exists.

(e) In any case in which the Act or this Declaration requires the vote of a stated percentage of the Owners or approval of an act or transaction, such requirement shall be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Owners who collectively hold at least the stated percentage of required votes. Such written consents shall be subject to the following conditions:

(i) All necessary consents must be obtained prior to the expiration of ninety (90) days after the first consent is given by any Owner.

(ii) Any change in ownership of a Condominium Unit which occurs after consent has been obtained by the Owner having an interest therein shall not be considered or taken into account for any purpose.

(iii) Unless consent of all Owners having an interest in the same Condominium Unit is secured, the consent of none of such Owners shall be effective.

ARTICLE VI
MANAGEMENT COMMITTEE

6.01 Number and Election of Directors.

The Management Committee shall consist of at least three (3) but not more than five (5) Directors. The initial number of Directors shall be three (3) and shall hold office until the election or appointment of their successors at the first annual meeting. Thereafter, subject to the terms and conditions of Sections 6.03 and 6.04 below, each Director will hold office for a term of one (1) year and the Owners shall elect the Directors at the annual meetings.

6.02 Powers of the Management Committee.

(a) Except as provided in this Declaration, the Articles and the Bylaws, the Management Committee may act on behalf of the Association in all instances.

(b) The Management Committee may not act on behalf of the Association to:

- (i) amend this Declaration;
- (ii) terminate the Association, this Declaration or the Condominium;
- (iii) elect Directors to the Management Committee;
- (iv) increase the number of Directors comprising the Management Committee; or
- (v) determine the qualifications, powers and duties, or terms of office, of Directors.

6.03 Declarant Control Period.

(a) Subject to the terms and conditions of paragraphs 6.03(b) and (c) below, but notwithstanding anything else to the contrary contained in this Declaration or in any other Association Document, Declarant shall have the exclusive right to appoint and remove all Directors and Officers during the Declarant Control Period. The phrase "Declarant Control Period" means the period commencing on the date on which this Declaration is Recorded, and ending on the first to occur of the following:

- (i) three (3) years from the date that the Declaration is Recorded; or
- (ii) the date upon which Units representing seventy-five percent (75%) of the total Interests in the General Common Elements have been conveyed to Purchasers.

BK8459PG1974

(b) Declarant may voluntarily surrender its right to appoint and remove Officers and Directors prior to the expiration of the Declarant Control Period, but, in that event, Declarant may require, for the remainder of the Declarant Control Period, that specific actions of the Association or the Management Committee, as described in a recorded instrument executed by Declarant, be approved by the Declarant before they become effective.

(c) During the thirty (30)-day period immediately preceding the date on which the Declarant Control Period expires, the Owners shall elect the Directors of the Management Committee as set forth in Section 6.01 above, at least a majority of whom must be Owners other than Declarant or designated representatives of Owners other than Declarant. Such Directors shall take office upon election.

(d) No management contract, lease of recreational areas or facilities, or any other contract or lease designed to benefit the Declarant which was executed by or on behalf of the Association or the Unit Owners as a group shall be binding after the expiration of the Declarant Control Period unless renewed or ratified by the consent of a Majority of the votes allocated to the Units as provided in Section 5.01(b).

6.04 Removal of Directors.

(a) Directors appointed by Declarant may be removed, with or without cause, solely by Declarant.

(b) Each Director, other than a Director appointed by Declarant, may be removed, with or without cause, by a sixty-seven percent (67%) or greater vote of the votes allocated to the Units as provided in Section 5.01(b).

6.05 Replacement of Directors.

(a) Vacancies on the Management Committee created by the removal, resignation or death of a Director appointed by Declarant shall be filled by a Director appointed by Declarant.

(b) A vacancy on the Management Committee created by the removal, resignation or death of a Director appointed or elected by the Owners shall be filled by a Director elected by the Owners.

(c) Any Director elected or appointed pursuant to this Section 6.05 shall hold office for the remainder of the unexpired term of the Director that Director replaced.

6.06 Management Committee Liability.

No Director shall be liable to the Owners for any mistake in judgment, for negligence, or on other grounds, except for such Director's own individual and willful misconduct or bad faith. The Owners and Association shall indemnify and hold harmless each Director from and against all liability to third parties arising out of any contract made by the Management Committee on behalf

of the Association or Owners, unless such contract was made in bad faith or contrary to the provisions of the Act or this Declaration. The liability of an Owner arising out of the foregoing indemnification shall be limited to the total liability concerned multiplied by such Owner's Interest in General Common Elements.

ARTICLE VII ASSESSMENTS, COMMON EXPENSES, BUDGETS AND LIENS

7.01 Obligations for Assessments.

(a) Each Owner, by accepting a deed to a Unit (regardless of whether it shall be expressly stated in such deed), shall be deemed to have covenanted and agreed, to pay to the Association all:

- (i) General Assessments;
- (ii) Special Assessments;
- (iii) Default Assessments; and
- (iv) other charges,

that the Association is required or permitted to levy or impose on such Owner or such Owner's Unit pursuant to this Declaration or any other Association Document.

(b) Notwithstanding the definition of the term "Owner":

(i) a Person who acquires a Unit in a foreclosure sale shall be personally liable for all Assessments and other charges that the Association is required or permitted to levy or impose on that Unit or on the Owner of that Unit on or after the date of the foreclosure sale; and

(ii) a Person who acquires a Unit by deed-in-lieu of foreclosure shall be personally liable for all Assessments and other charges that the Association is required or permitted to levy or impose on that Unit or on the Owner of that Unit on or after the date on which the Owner of the Unit executes the deed-in-lieu of foreclosure.

(c) No Owner shall be exempt from liability for any Assessment or other charges by waiving the use or enjoyment of any Common Element or by abandoning a Unit against which such Assessments or other charges are made.

(d) Each Owner shall be personally liable for all Assessments and other charges levied on such Owner or such Owner's Unit during the period of such Owner's ownership of the Unit. If there is more than one Owner of a Unit, each Owner shall be jointly and severally liable with the

other Owners of the Unit for all Assessments and other charges levied on the Unit or any Owner of the Unit. In a voluntary conveyance, the grantee of a Unit shall be jointly and severally liable with the grantor for all unpaid Assessments against the grantor without prejudice to the grantee's rights to recover from the grantor the amount of the Assessment paid by the grantee.

(e) Each Assessment or other charge, together with interest and penalties thereon and all costs and expenses incurred by the Association to collect such Assessment or other amount, including all fees and disbursements of attorneys, accountants, appraisers, receivers and other professionals engaged by the Association in connection therewith, may be recovered by a suit for a money judgment by the Association without foreclosing or waiving any Assessment Lien securing the same.

7.02 Shares of Common Expenses.

(a) Except as otherwise set forth in this Declaration, the Association's Common Expenses shall be allocated among the Units in accordance with the Interest in General Common Elements appurtenant to such Units (the "Shares of Common Expenses").

(b) Until the Association levies an Assessment, Declarant shall pay all Common Expenses.

7.03 Budgets.

(a) Prior to the first levy of a General Assessment, and thereafter on or before the date occurring sixty (60) days before the commencement of the next Fiscal Year, the Management Committee shall adopt a proposed annual budget for the Association for the next Fiscal Year that sets forth:

(i) the Management Committee's estimates of Common Expenses for the next calendar year, taking into account any default or surplus realized for the current calendar year and any amounts as may be necessary to fund the reserve provided for in Section 7.11 of this Declaration;

(ii) the amount of funds for such Common Expenses that the Management Committee proposes to raise through General Assessments; and

(iii) the amount of funds for such Common Expenses that the Management Committee proposes to raise through Special Assessments.

(b) Within thirty (30) days after adopting a proposed annual budget, the Management Committee shall deliver a summary of the proposed annual budget to the Owners and set a date for a meeting of the Owners to consider ratification of the proposed annual budget. The date of such meeting shall not be less than fourteen (14) days nor more than sixty (60) days after the delivery of the summary of the proposed annual budget to the Owners. Unless at that meeting a Majority of the Owners present at such meeting, whether or not a quorum is present, rejects the

proposed annual budget, the proposed annual budget shall be deemed ratified. If the proposed annual budget is rejected, the annual budget last ratified by the Owners shall be deemed renewed for the next calendar year and shall remain in full force and effect until such time as the Owners ratify a subsequent annual budget proposed by the Management Committee.

(c) If the Management Committee deems it necessary or advisable to amend an annual budget that has been ratified by the Owners under paragraph 7.03(b) above, the Management Committee may adopt a proposed amendment to the annual budget, deliver a summary of the proposed amendment to all Owners and set a date for a meeting of the Owners to consider ratification of the proposed amendment. The date of such meeting shall not be less than fourteen (14) days nor more than sixty (60) days after the delivery of the summary of the proposed amendment. Unless at that meeting a Majority of the Owners present at such meeting, whether or not a quorum is present, rejects the proposed amendment, the proposed amendment shall be deemed ratified.

7.04 General Assessments.

(a) After the Management Committee has adopted an annual budget pursuant to paragraph 7.03(b) above, the Association shall levy an assessment for Common Expenses (a "General Assessment") on each Unit. The amount of the General Assessment levied against a Unit shall equal the product obtained by multiplying:

(i) the amount set forth in the annual budget adopted by the Management Committee as the amount of Common Expenses to be raised by General Assessments, by

(ii) that Unit's Interest in General Common Elements.

(b) The Owners shall pay the General Assessments levied against their respective Units in such periodic installments as may be required by the Association.

(c) If the Management Committee adopts an amendment to the General Assessment portion of an annual budget pursuant to paragraph 7.03(c) above, the amount of the General Assessment levied against each Unit shall be adjusted accordingly, as shall the amount of each Owner's periodic installments.

(d) If the Management Committee fails to adopt an annual budget for any Fiscal Year prior to the commencement of that Fiscal Year, the Owners shall continue to pay periodic installments of the General Assessment to the Association at the rate payable during the prior Fiscal Year until such time as the Management Committee adopts a new annual budget for the then current Fiscal Year. Once the Management Committee adopts a new annual budget, the Association shall levy against each Unit the General Assessment for the then current Fiscal Year and each Owner's periodic installments shall be adjusted as necessary to pay the new General Assessment in equal periodic installments over the remainder of such Fiscal Year, giving the Owners credit, in such

manner as the Management Committee deems necessary or appropriate, for any installments that the Owners have previously paid to the Association during such Fiscal Year.

(e) The failure of the Association to levy a General Assessment for any Fiscal Year shall not be deemed a waiver, modification or release of an Owner's liability for the Share of Common Expenses allocated to such Owner's Unit.

7.05 Special Assessments.

(a) The Assessments that the Association may levy pursuant to this Section 7.05 are referred to in this Declaration as "Special Assessments."

(b) Notwithstanding anything to the contrary contained in Section 7.04 above, if the Association determines that an Assessment is required to immediately fund any Common Expense attributable to the Common Elements, the Association may levy an Assessment for such Common Expense against the Units in proportion to the Interests of General Common Elements

(c) Each Special Assessment levied against any Unit shall be shown on an annual budget, or an amendment to an annual budget, adopted by the Management Committee pursuant to Section 7.03 above and shall be paid as and when required by the Association.

7.06 Default Assessments.

(a) Notwithstanding anything to the contrary contained herein, if any Common Expense is caused by:

(i) the negligence or misconduct of an Owner or an Owner's Guest; or

(ii) a violation of any covenant or condition of an Association Document by an Owner or an Owner's Guest, the Association may levy an Assessment for such Common Expense against such Owner's Unit. Any such Assessment levied by the Association and each fine, penalty, fee or other charge imposed upon an Owner for the Owner's violation of any covenant or condition of any Association Document are each referred to herein as a "Default Assessment."

(b) Default Assessments need not be shown on an annual budget, or on an amendment to an annual budget, adopted by the Management Committee pursuant to Section 7.03 above.

(c) With respect to any Default Assessment, or portion thereof, levied other than as a late charge, the Owner of the Unit against which the Association seeks to levy the Default Assessment shall be provided notice and an opportunity to be heard. Owners of Units against which Default Assessments have been levied shall pay such Default Assessments as and when required by the Association.

7.07 Assignment of Assessments.

The Association shall have the unrestricted right to assign its right to receive Assessments and other future income, either as security for obligations of the Association or otherwise, on the condition that any such assignment is approved by a Majority of the votes allocated to Units represented at a meeting at which a quorum is present.

7.08 Assessment Lien.

(a) The Association shall have a lien on each Unit for any Assessment levied against that Unit and for any fines, late charges, penalties, interest and attorneys' fees, disbursements and costs of collection imposed against the Owner of such Unit under any Association Document (the "Assessment Lien"). The Assessment Lien shall secure all of the foregoing obligations of an Owner from the time such obligations become due. If an Assessment is payable in installments, the Assessment Lien shall secure each installment from the time it becomes due, including the due date set by any valid Association acceleration of installment obligations.

(b) An Assessment Lien shall constitute a lien upon the Owner's Unit, and, upon the Recording of a notice of lien by the Management Committee or manager, if any, it is a lien prior to all other liens and encumbrances on a Unit, recorded and unrecorded except:

(i) encumbrances on the interest of an Owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances; and

(ii) liens for real estate taxes and special assessment liens on the Unit in favor of any governmental assessing unit or special improvement district; and

(c) Notwithstanding the terms and conditions of subparagraph 7.08(b) above, an Assessment Lien is prior to a First Mortgage recorded before the date on which the Assessment sought to be enforced became delinquent to the extent permitted by the Act.

(d) An Assessment Lien is extinguished unless proceedings to enforce the Assessment Lien are instituted within six (6) years after the full amount of the Assessment secured thereby becomes due. Suit to recover a money judgment for unpaid Assessments is maintainable without foreclosing or waiving the lien securing it.

(e) This Section 7.08 does not prohibit actions or suits to recover sums secured by an Assessment Lien or the Association from taking a deed in lieu of foreclosure.

(f) In any action by the Association to collect Assessments or to foreclose an Assessment Lien for unpaid Assessments, the court may appoint a receiver of the Owner to collect all sums alleged to be owed by the Owner prior to or during the pendency of the action, including, but not limited to, all costs and expenses of such proceedings, reasonable attorneys' fees, and a

reasonable rental for the Unit. A court may order the receiver to pay any sums held by the receiver to the Association during the pending of the action to the extent of the Association's Assessments.

(g) An Assessment Lien may be foreclosed in like manner as a deed of trust or mortgage on real estate or in any other manner permitted by law. Periodic Assessments shall be payable during the period of foreclosure of an Assessment Lien.

7.09 Waiver of Homestead Exemptions.

To the fullest extent permitted by law, by acceptance of the deed or other instrument of conveyance of a Unit, an Owner irrevocably waives the homestead exemption provided by the Utah Exemptions Act, Utah Code Ann. §78-23-1 through §78-23-15 as amended from time to time, as the same may apply to the Assessment Lien.

7.10 Estoppel Certificates; Notices to Mortgagees.

(a) The Association shall furnish to an Owner or such Owner's designee or to a Mortgagee or its designee upon written request, delivered personally or by certified mail, first-class postage prepaid, return receipt requested, to the Association's registered agent, and payment of a reasonable fee not to exceed the amount provided for in the Act, a statement setting forth the amount of unpaid Assessments currently levied against such Owner's Unit. The statement shall be furnished within ten (10) calendar days after receipt of the request and is binding on the Association, the Management Committee and every Owner in favor of all Persons who rely upon such statement in good faith. If no statement is furnished to the Owner, the Mortgagee or their designee, delivered personally or by certified mail, first-class postage prepaid, return receipt requested, to the inquiring party, then the Association shall have no right to assert the priority of its Assessment Lien upon the Unit for unpaid Assessments which were due as of the date of the request.

(b) If a First Mortgagee delivers to the Association a written request for notice of unpaid Assessments levied against a Unit subject to a First Mortgage held by that First Mortgagee, the Association shall report to the First Mortgagee any unpaid Assessments levied against such Unit that remain unpaid for more than sixty (60) days after the same shall have become due. The First Mortgagee may pay any such unpaid Assessment, together with any and all costs and expenses incurred with respect to the Assessment Lien securing such unpaid Assessment, and upon such payment, such First Mortgagee shall have a lien on the Unit for the amounts paid with the same priority as a lien of the First Mortgage held by such First Mortgagee.

7.11 Reserve Fund.

(a) The Association shall have the right to maintain a reserve fund for Common Expenses. The reserve fund shall include such amounts as the Management Committee may deem proper for general working capital, for a general operating reserve, and for a reserve fund for replacements and major maintenance or capital replacement, and will be funded as follows. At the closing of the sale of a Unit by Declarant to a Purchaser, the Purchaser shall pay to the Association an amount equal to the Association's estimate of three (3) months of Common Expenses for the

Fiscal Year in which the sale of the Unit occurs. Thereafter, the Association may increase the reserve fund or replace funds withdrawn from the reserve fund with funds collected through Assessments.

(b) Payments by Purchasers to the Association at closings under paragraph 7.11(a) above shall not be credited against, or relieve Purchasers from, their obligation to pay other Assessments levied against Units by the Association.

(c) Upon the sale of a Unit from one Owner to another, the Association shall not be obligated to return to the transferor any funds held in reserve, but the transferor shall be entitled to an appropriate credit from its transferee.

ARTICLE VIII UTILITY AND OTHER SERVICES

8.01 Water, Sewer, Propane, Electric and Trash Removal Services.

(a) Except as provided in Section 8.01(c), the Association shall be responsible for obtaining water, sewer, propane, electric and trash removal services for all Residential Units and all Commercial Units and the Limited Common Elements appurtenant to such Units.

(b) All water, sewer, propane and electric services furnished to the Condominium Project which are separately metered and billed to an individual Unit by the utility company or other party furnishing such services shall be paid for by the Owner of the Unit to which such utility is metered. All other water, sewer, propane and electric services shall be a part of the Common Expenses and shall be allocated by the Association among the Units and charged to the Owners in accordance with their Shares of Common Expenses.

(c) It is initially contemplated that propane and electric services to Commercial Unit 128 and to Commercial Unit 003 will be separately metered and billed to such Unit by the utility company or other party furnishing such services. The charges incurred by the Owners of Commercial Units 128 and 003 for such services shall not be a part of the Common Expenses of the Condominium Project.

(d) Each Owner shall ensure that its Unit is sufficiently heated to prevent the freezing of water and sewer lines serving the Condominium Project.

8.02 Cable Television.

(a) The Association shall be responsible for obtaining cable television services for the Residential Units and the Limited Common Elements appurtenant thereto. Each Owner of a Commercial Unit shall be responsible for obtaining cable television services, if any, for its Commercial Unit and the Limited Common Elements appurtenant thereto and shall pay all costs, expenses, fees, rates and other installation and connection charges incurred in connection therewith, including, without limitation, any connection fees, directly to the provider of such services.

(b) All cable television services furnished to the Condominium Project which are separately metered and billed to an individual Unit by the cable company or other party furnishing such services shall be paid for by the Owner of the Unit to which such services are metered. All other cable television services shall be a part of the Common Expenses and shall be allocated by the Association among the Units and charged to the Owners in accordance with their Shares of Common Expenses.

8.03 Telephone.

(a) Each Owner shall be responsible for obtaining telephone services for its Unit and the Limited Common Elements designed to serve only its Unit and shall pay all costs, expenses, fees, rates and other charges incurred in connection therewith, including, without limitation, any connection fees, directly to the provider of such services.

(b) The Association shall determine what, if any, telephone services are necessary for the Limited Common Elements that serve all of the Residential Units and shall be responsible for obtaining those services. The Common Expenses incurred by the Association for those services shall be allocated among the Units in accordance with their proportionate Shares of Common Expenses.

8.04 Other Utilities.

If the Association incurs Common Expenses for any utility service not described above, or if the manner of providing or metering any utility service described above changes from the manner in which such service is provided or metered as of the date of this Declaration, the Association may allocate the Common Expenses incurred for such new utility service or changed utility service in any reasonable and equitable manner consistent with the Act.

ARTICLE IX MAINTENANCE OF COMMON ELEMENTS AND UNITS

9.01 Maintenance of Common Elements.

Except as otherwise provided in this Declaration, the Association, or its duly designated agent, shall maintain the Common Elements and the other Association property in good order and condition and shall otherwise manage and operate the Common Elements as it deems necessary or appropriate. The Management Committee shall have the irrevocable right to have access to each Unit from time to time during reasonable hours as may be necessary for the maintenance, repair or replacement of the Common Elements or for making emergency repairs necessary to prevent damage to the Common Elements or to another Unit or Units. In addition, the Association shall ensure that all interior Common Elements (including without limitation, the below-grade parking level) are sufficiently heated to prevent the freezing of water and sewer lines serving the Condominium Project. Without the limiting the foregoing, the Association may:

- (a) construct, modify, add to, repair, replace or renovate any improvements that are located on or constitute a part of any Common Element;
- (b) plant and replace trees, shrubs and other vegetation on any Common Element;
- (c) place, maintain and replace signs upon any Common Element;

9.02 Maintenance of Units.

Each Owner, at such Owner's sole cost and expense, shall maintain in good order and repair its Unit and all utility facilities, lines, ducts, and other such apparatus (including all fixtures located therein) serving solely such Unit. Each Owner shall keep the Limited Common Elements serving solely its Unit or located within its Unit in the case of Commercial Unit 128, if any, in a clean and orderly condition. The Association shall have no obligation regarding maintenance or care which is required to be accomplished by any Owner.

9.03 Mechanic's Liens and Indemnification.

No labor performed or materials furnished and incorporated into a Unit with the consent or at the request of an Owner or an agent, contractor or subcontractor of an Owner shall be the basis either for filing a lien against the Unit of any other Owner not expressly requesting or consenting to the same, or against the Common Elements. Notwithstanding the foregoing, labor performed or materials furnished for the Common Elements, if authorized by the Owners, the manager or the Management Committee in accordance with this Declaration, the Bylaws, the Rules and Regulations, or the Act, shall be deemed to be performed or furnished with the express consent of each Owner and shall be the basis for filing a lien pursuant to applicable law. Payment for any such lien shall be made as provided in the Act. Each Owner shall indemnify and hold harmless each of the other Owners and any Mortgagee from and against all liability arising from any claim or lien against the Unit of any other Owner or against the Common Elements for construction performed or for labor, materials, services or supplies incorporated in the Owner's Unit at the Owner's request.

9.04 Solitude Master Association.

The rights and obligations of the Association and the Owners under this Article IX are subject to the rights of the Solitude Master Association and the Solitude Master Association's Design Review Board.

(a) Promptly after a conveyance of a fee simple interest in a Unit or portion thereof, the grantee shall furnish a copy of the conveyance deed to the Association.

(b) Promptly after an encumbrance of a fee simple interest in a Unit or portion thereof, the Owner shall furnish the Association with a copy of the Mortgage creating the encumbrance.

10.05 Use of Residential Units.

(a) Except as otherwise expressly permitted by this Declaration, an Owner of a Residential Unit may use such Residential Unit only as a permanent or vacation single-family residence (as "family" is defined from time to time in the zoning ordinances of Salt Lake County, Utah) for itself and its Guests. No Owner of a Residential Unit shall conduct any business, profession, occupation or trade from its Unit, including, without limitation, the operation of a so-called "bed and breakfast" or "chalet"; provided that this Declaration does not prohibit an Owner from leasing or renting such Owner's Unit to others so long as the use of such Unit complies with the provisions of this Declaration, the Act and other applicable laws and ordinances. No Residential Unit shall be used for conducting the business of the rental of other Units. Any lease of a Unit shall be in writing and shall be subject to this Declaration and the Bylaws.

(b) Notwithstanding the restrictions set forth in paragraph 10.05(a) above:

(i) an Owner may use its Residential Unit as its private office, on the condition that the Owner does not invite others to its Unit to conduct business and such use complies with all applicable federal, state and local laws, ordinances, regulations and rules; and

(ii) the Association and, during the Declarant Control Period, Declarant may use one Residential Unit owned or leased by it as a management office, or a combined management office and residence for a resident manager, for the Condominium Project.

10.06 Use of Common Elements.

All Owners and their Guests may use the General Common Elements and the Limited Common Elements designed to serve their Units for the purposes for which such Common Elements are intended. Notwithstanding the preceding sentence, neither an Owner nor a Guest may use any Common Element in any manner that unreasonably interferes with, hinders or encroaches upon the rights of other Owners in and to the Common Elements. Without limiting the generality of the foregoing, no Owner shall cause, or permit its Guests to cause, waste to any Common Element.

10.07 Alterations.

(a) Except as otherwise expressly provided in this Declaration, an Owner of a Unit may not make (i) any improvement or alteration to a Common Element, or (ii) any improvement or alteration to its Unit that affects any Common Element or any other Unit, without the prior written consent of the Association. No Owner shall do any work or make any alterations or changes which would jeopardize the soundness or safety of the Condominium Project, reduce its value or impair any easement or hereditament, without in every case first obtaining the unanimous written consent of all Owners.

(b) Notwithstanding paragraph 10.07(a) above, an Owner who owns adjoining Commercial Units may remove or alter any intervening partition, even if the partition in whole or in part is a Common Element, if those acts do not jeopardize the soundness or safety of the Condominium Project, reduce its value or impair any easement or hereditament, or impair the structural integrity, electrical systems, or mechanical systems or lessen the support of any portion of the Condominium Project.

(c) No new Improvement shall be constructed on the Land and no construction, alteration, installation or other work affecting the exterior surface of any existing Improvement shall be made, except as required or approved by the Solitude Master Association's Design Review Board, and then only in strict accordance with the terms and conditions of the Solitude Master Association Documents.

(d) Without limiting the generality of paragraphs 10.07(a) through (c) above, an Owner of a Unit may not, without the prior written consent of the Association, install or erect any improvement, mechanical system or fixture that either:

- (i) protrudes beyond the boundaries of the Owner's Unit; or
- (ii) is located wholly outside the Owner's Unit (even if located within a Limited Common Element that is assigned to solely the Owner's Unit).

(e) The Association shall perform or make, or cause to be performed or made, any Improvement, construction, alteration, installation or other work on, to or affecting the exterior of any Improvement on the Land which the Solitude Master Association requires, in writing, be performed or made.

(f) Notwithstanding paragraph 10.07(a) above, an Owner who owns adjoining Residential Units may remove or alter any intervening partition, even if the partition in whole or in part is a Common Element, with the prior approval of the Management Committee, if those acts do not jeopardize the soundness or safety of the Condominium Project, reduce its value or impair any easement or hereditament, or impair the structural integrity, electrical systems, or mechanical systems or lessen the support of any portion of the Condominium Project and otherwise comply with the Act, this Declaration, the Solitude Master Association Documents and all applicable laws, codes and regulations.

10.08 Nuisances, Hazardous Activities and Unsightliness.

Nothing shall be done or kept at the Land in violation of any law, ordinance, rule, regulation or other requirement of any governmental or quasi-governmental authority.

10.11 Compliance with Insurance.

Except as may be approved in writing by the Association, nothing shall be done or kept at the Land that may result in the cancellation of any insurance maintained by the Association or may result in an increase in the rates of any such insurance. Activities incident to or necessary for the conduct of commercial operations shall not violate the terms of this Section 10.11 even if such activities result in an increase in rates of insurance. Any such increase in the rates of insurance shall be charged to the Owners of the Commercial Units whose uses create such increases as Special Assessments.

10.12 Subdivision, Rezoning and Timesharing.

(a) Subject to Section 3.02(d), no Unit may be subdivided, unless the subdivision has been approved by 100 percent of the votes allocated to all Units at a duly convened meeting of the Association and has received all applicable governmental and quasi-government approvals.

(b) No application for rezoning any portion of the Land, and no applications for variances or use permits, shall be filed with any governmental or quasi-governmental authority, unless the proposed rezoning has been approved by 100 percent of the votes allocated to all Units at a duly convened meeting of the Association and the uses that would be permitted under the rezoning comply with this Declaration and the other Association Documents.

(c) No Owner shall offer or sell any interest in any Unit under a "timesharing" or "interval ownership" plan or similar plan.

(d) The covenants, conditions and restrictions set forth in paragraphs 10.12(a) and (b) above shall not apply to Declarant's development of the Land or to Declarant's exercise of any Special Declarant Right.

(a) No motor vehicle classed by manufacturer rating as exceeding three-quarter ton and no mobile home, trailer, detached camper or camper shell, boat or other similar equipment or vehicle may be kept or parked at the Condominium Project.

(b) No motor vehicle shall be constructed, repaired or serviced at the Condominium Project.

(c) Subject to paragraph 10.13(f), each Owner of a Residential Unit or its Guests may use one parking space in the Condominium Project's parking facility during any period during

which the Owner or one or more of its Guests are staying in the Owner's Unit. At no time may an Owner of a Residential Unit or its Guests use more than one parking space in the Condominium Project's parking facility, and an Owner may not park a car in the Condominium Project's parking facility for more than seven (7) consecutive days when the Owner or its Guest is not staying in the Owner's Unit.

(d) Owners of the Residential Units shall have no right to use, and shall not permit their lessees and other Guests to use, any parking space located in the Condominium Project's parking facility designated as Limited Common Element to a Commercial Unit. Owners of the Commercial Units shall have no right to use, and shall not permit their lessees and other Guests to use, any parking space located in the Condominium Project's parking facility designated as Limited Common Residential; provided that an Owner of a Commercial Unit shall have the right of ingress and egress through the parking facility to the extent necessary for access to Limited Common Elements appurtenant to such Commercial Units, and shall have the right to use in common with all other Owners any parking spaces designated as a General Common Element on the Map.

(e) An Owner shall not sell, lease or otherwise convey all or any part of the parking rights it has by virtue of its ownership of a Unit (other than in connection with the sale, lease or other conveyance of such Owner's Unit).

(f) Any of the parking spaces in the Condominium Project's parking facility designated as Limited Common Residential or General Common Element may be used by the Owners of Residential Units as set forth in paragraph 10.13(c), except for two (2) parking spaces in the Condominium Project's underground parking facility that are designated from time to time by the Association as reserved for providing deliveries and services to the Owners of the Residential Units, such spaces to be marked accordingly to provide notice of such reserved use.

10.14 Deliveries, Trash Removal and Other Services.

(a) By acceptance of a deed to a Unit, an Owner agrees that all deliveries and all trash removal services, and other such services to that Owner or its Unit shall be effected at a location or locations designated by the Association and/or the Solitude Master Association from time to time for such purposes. Unless otherwise directed by the Association, Owners of all Units and their Guests shall place all trash and other waste from the Units in receptacles which are located in the Condominium Project's underground parking facility and designated for that purpose.

(b) Owners shall not, and shall not permit their Guests to litter. No burning of trash, garbage or other waste materials will be permitted at the Land.

10.15 Exterior Storage.

No Owner shall store any materials or items on or in any Common Element, other than those Common Elements designed for that purpose, such as ski lockers, and then only in strict accordance with the terms and conditions of the Association Documents.

10.16 Animals.

No animals of any kind shall be raised, bred or kept on the Land or within any Unit.

10.17 Solid-Fuel Burning Devices.

No solid-fuel burning devices, such as charcoal grills and wood burning stoves or fireplaces shall be used, kept or stored on the Land.

10.18 Commercial Units.

(a) Each Commercial Unit may be used and occupied for commercial purposes only. Any Owner may lease all or any portion of its Commercial Unit for such purpose.

(b) Owners of Commercial Units shall not use, and shall not permit their Guests to use (i) any entrance to or exit from the Condominium Project which is designated on the Map for exclusive use by Owners of Residential Units or for exclusive use by the Owners of Residential Units and Commercial Units 128 and 131, (ii) any portion of the Limited Common Residential, (iii) any portion of the Limited Common Residential with Commercial Unit 131 (except the Owner(s) of Commercial Unit 131 may use such area to the extent otherwise provided herein), or (iv) any portion of the Limited Common Residential with Commercial Units 128 and 131 (except the Owner(s) of Commercial Units 128 and/or 131 shall have the right to use such area to the extent otherwise provided herein). The Owner(s) of Commercial Unit 131 shall have the right to use those Limited Common Areas identified for such Commercial Unit's use on the Map.

(c) Owners of Commercial Units shall not use, and shall not permit their Guests to use, any waiting area, library, stairway, elevator, patio, walkway, hallway, spa, storage area, restroom or other portion of the Condominium Project which is designated on the Map as Limited Common Elements for exclusive use by Owners of Residential Units, including, without limitation, the parking spaces in the Condominium Project's parking facility, or for exclusive use by the Owners of Residential Units and Commercial Unit 131. The Owner(s) of Commercial Units 003, 128 and/or 131 shall have the right to use those Limited Common Areas identified for such Commercial Unit's use on the Map.

(d) Notwithstanding anything to the contrary contained in this Declaration, an Owner of a Commercial Unit may make improvements or alterations to its Commercial Unit or the Limited Common Elements designed to serve only its Commercial Unit, including without limitation, the erection of partitions as permitted under subparagraph 3.02(d)(iii) above, without the consent of any Owner or the Association, on the conditions that:

(i) the improvement or alteration does not impair or cause damage to any other Unit or any Limited Common Element designed to serve any Residential Unit;

(ii) the Owner of the Commercial Unit promptly repairs any damage to any General Common Element caused thereby at its cost and expense;

(iii) the improvement or alteration complies with all applicable requirements of the Solitude Master Association Documents, the Act and all laws, ordinances, regulations and rules of governmental and quasi-governmental authorities with jurisdiction.

If any such improvement or alteration will impair any other Unit or any Limited Common Element assigned to serve any other Unit, the Owner of the Commercial Unit shall not make the improvement or alteration without the prior written consent of the Majority of the Owners of the Units, or the Owners of the Units served by the Limited Common Elements that will be impaired thereby, as the case may be.

(e) Notwithstanding anything to the contrary contained in this Declaration, and in addition to the rights of an Owner of a Commercial Unit under paragraph 10.18(d) above;

(i) the Owner of a Commercial Unit shall have the right to install, operate, maintain, repair and replace machinery, equipment, utility lines, wires, circuits, cables and conduits serving such Commercial Unit, along, across and through any and all General Common Elements, Limited Common Residential and through the parking facility within the Condominium Project without the consent of any Owner or the Association, on the conditions that (A) the Owner of the Commercial Unit, at its sole cost and expense, shall repair, replace and restore any damage to the Common Elements and the parking facility, and (B) such installation, maintenance, repair or replacement does not interfere with the use of such area and complies with all applicable requirements of the Solitude Master Association Documents, the Act and all laws, ordinances, regulations and rules of governmental and quasi-governmental authorities with jurisdiction; and

(ii) the Owner of a Commercial Unit shall have the right to alter that portion of the Condominium Project's building facade that serves as the boundary of that Commercial Unit and other General Common Elements located immediately adjacent to that Commercial Unit (including, without limitation, the creation, removal and relocation of entrances, exits, windows, window boxes, signage and other architectural features), without the consent of any Owner or the Association, on the conditions that (A) the Owner of the Commercial Unit repairs any damage to any General Common Element caused thereby at its expense, and (B) such alteration complies with all applicable requirements of the Solitude Master Association Documents and all applicable laws, ordinances, regulations and rules of governmental and quasi-governmental authorities with jurisdiction.

(f) Notwithstanding anything to the contrary in this Article X, the Owner of a Commercial Unit may:

(i) perform such activities within its Commercial Unit as are lawfully permitted and are common to or necessary for the conduct of commercial operations,

including, without limitation, restaurant, nightclub, lounge and retail operations, and any lights, sounds and odors which result from such activities shall not violate the terms of this Article X;

(ii) erect and attach signs, banners, window boxes, decorations and other similar items on the exterior of the Condominium Project or projections from the exterior of the Condominium Project on the condition that such signs, banners, window boxes, decorations and other similar items and their locations are approved by the Solitude Master Association's Design Review Board and otherwise comply with the Solitude Master Association Documents;

(iii) apply for and obtain special use permits and licenses (e.g., liquor licenses) which are necessary or appropriate for the conduct of commercial activities in its Unit in accordance with this Declaration and the other Association Documents, without obtaining the approval otherwise required under paragraph 10.12(b) above, on the condition that such permits and licenses are consistent with the existing zoning and actual uses of the Commercial Unit at the time the permit or license is applied for.

10.19 Declarant's Exemption.

Nothing contained in this Declaration or in any other Association Document shall be construed to prevent:

(a) Declarant's exercise and enjoyment of any Special Declarant Right or any other rights of Declarant under this Declaration or any other Association Document; or

(b) the conduct by Declarant or its employees or agents of any activity, including, without limitation, the erection or maintenance of temporary structures, improvements or signs, necessary or convenient to the development, construction, marketing or sale of property within or adjacent to the Condominium.

ARTICLE XI EASEMENTS AND RESERVATIONS

11.01 Declarant's Easements Over Common Elements.

(a) In accordance with the Act, Declarant hereby reserves for itself, its successors and assigns a general, transferable easement over, across, through and under the Common Elements to:

(i) discharge Declarant's obligations under this Declaration;

(ii) exercise any of Declarant's rights under this Declaration; and

(iii) make improvements on the Land or any other real estate owned by Declarant, for the purpose of doing all things reasonably necessary and proper in connection with the foregoing.

(b) Declarant hereby reserves for itself, its successors and assigns, the right to:

(i) establish from time to time utility and other easements, permits or licenses over, across, through and under the Common Elements for the benefit of the Condominium Project, any property owned by Declarant or any other real property within Solitude Resort Village; and

(ii) create other reservations, exceptions and exclusions for the best interest of the Declarant and other Persons, on the conditions that (A) the parties benefitted by the easement, license, permit, reservation, exception or exclusion must use reasonable efforts to locate any such easement, license, permit reservation, exception or exclusion to minimize interference with the use of the Land by the Owners to the extent practicable; and (B) if the parties benefitted by the easement, license, permit, reservation, exception or exclusion construct or install any improvements on the Land pursuant to the same, the benefitted parties shall promptly repair any damage caused to the Land thereby at their sole cost and expense.

11.02 Utility Easement.

(a) Subject to the terms and conditions of this Declaration and all other Association Documents, Declarant hereby creates a general easement over, across, through and under the Land for ingress to, egress from, and installation, replacement, repair and maintenance of, all utility and service lines and systems, including, without limitation, water, sewer, propane, telephone, electricity and cable communication that service the Land or any portion thereof as well as any such lines and systems which service property owned by the Solitude Master Association. The Association may, but is not obligated to, authorize the release of portions of the general easement created pursuant to this Section 11.02 upon the request of any Owner showing good cause therefor.

(b) Pursuant to this easement, a utility or service company may install and maintain facilities and equipment on the Land and affix and maintain wires, circuits and conduits on, in and under the roofs and exterior walls of Improvements to provide service to the Units or the Common Elements. Notwithstanding anything to the contrary contained in this Section 11.02, no sewers, electrical lines, water lines or other utilities or service lines may be installed or relocated on any portion of the Land, except in accordance with terms and conditions of Sections 10.07 and 10.18 above. Any utility or service company using this general easement shall use its best efforts to install, repair, replace and maintain its lines and systems without disturbing the uses of Owners, the Association, Declarant and other utility and service companies.

(c) If any utility or service company furnishing utilities or services to the Land or any portion thereof or property of the Solitude Master Association as permitted under paragraph 11.02(a) above requests a specific easement by separate recordable document, the

Association shall have the right and authority, but not the obligation, to grant such easement over, across, through and under any portion of the Land.

11.03 Association's Easement.

(a) The Association shall have a general easement over, across, through and under each Unit and each Common Element to:

(i) exercise any right held by the Association under this Declaration or any other Association Document; and

(ii) perform any obligation imposed upon the Association by this Declaration or any other Association Document.

(b) Notwithstanding the foregoing, the Association shall not enter any Unit without reasonable prior notice to the Owner thereof, except in cases of emergency.

11.04 Easements to Commercial Owners.

The Commercial Unit Owners shall have those rights of easement as set forth in paragraph 10.18(e)(i) above.

11.05 Easements for Encroachments.

In the event that any portion of the General Common Elements, a Limited Common Element, Unit and/or a Building (whether constructed by Declarant or reconstructed so as to substantially duplicate a Unit or Building originally constructed by Declarant) encroaches or comes to encroach on the General Common Elements, a Limited Common Element, another Unit and/or another Building, as a result of construction, reconstruction, repair, shifting, settlement, or movement of any portion of the foregoing, an easement is created hereby and shall exist so long as such encroachment exists, but such easement shall not relieve an Owner of liability in the case of willful misconduct.

11.06 Emergency Access Easement.

Declarant hereby grants a general easement to all police, sheriff, fire protection, ambulance and all other similar emergency agencies or Persons to enter upon the Land in the proper performance of their duties.

11.07 Pedestrian Access Easements.

Declarant hereby creates a nonexclusive access easement for the benefit of the general public over and across any and all roads, streets, plazas, courtyards, paths, pathways, sidewalks and boardwalks located outside of the Building and on the Land, subject to the Rules and Regulations.

ARTICLE XII INSURANCE

12.01 General Liability Insurance.

The Association shall obtain and maintain one or more policies of commercial general liability insurance insuring the Owners, the Association, the Management Committee, the manager engaged by the Association, if any, and their respective agents against general liability and claims arising in connection with the ownership, existence, use or management of the Common Elements, in an aggregate amount that is not less than \$5,000,000, or such greater amount as the Management Committee deems appropriate. Such insurance shall cover claims of one or more insured parties against other insured parties.

12.02 Property Insurance.

The Association shall obtain and maintain a master or blanket policy of property insurance coverage for no less than the full insurable replacement cost of all of the Common Elements, subject to reasonable deductibles and exclusive of land, excavations, foundations and similar items normally excluded from property insurance policies. The policy shall contain each of the following features, to the extent that such features are, in the reasonable discretion of the Management Committee, available at reasonable cost:

- (a) an agreed-amount endorsement or its equivalent;
- (b) an increased-cost-of-construction endorsement or a contingent-liability-from-operation-of building-laws endorsement or their equivalent;
- (c) an extended-coverage endorsement;
- (d) vandalism and malicious mischief coverage;
- (e) a special-form endorsement; and
- (f) a determinable-cash-adjustment clause or a similar clause to permit cash settlement covering full value of the Common Elements in case of partial destruction and a decision not to rebuild.

12.03 Additional Provisions to be Contained in Insurance Policies.

Any insurance policies obtained and maintained by the Association pursuant to Sections 12.01 and 12.02 above shall name as insureds the Association and the Owners (including Declarant, so long as Declarant is the Owner of any Unit) and provide that:

- (a) the insurer waives its right of subrogation under the policy against any Owner or member of the Owner's household;

(b) no act or omission by any Owner, unless acting within the scope of such Owner's authority on behalf of the Association, will void the policy or be a condition to recovery under the policy; and

(c) if, at the time of a loss under the policy, there is other insurance in the name of an Owner covering the same risk covered by the policy, the Association's policy provides primary insurance.

12.04 Trustee.

Any loss covered by the property insurance policy described in Section 12.02 above must be adjusted with the Association, and the insurance proceeds for that loss shall be payable to the Association or any insurance trustee designated for that purpose, and not to any Owners or Mortgagees. The insurance trustee or the Association shall hold any insurance proceeds in trust for the Owners and Mortgagees as their interests may appear. Subject to the provisions of Section 13.02 below, the proceeds must be disbursed first for the repair or restoration of the damaged property, and the Owners and Mortgagees are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the Condominium Project has been repaired or restored or the Condominium Project is terminated.

12.05 Individual Property Insurance Limited.

Each Owner shall have the right to separately insure its Unit and its personal property against loss by fire or other casualty. In addition, any Improvements made by an Owner within its Unit may be separately insured by the Owner, but the insurance is to be limited to the type and nature of coverage commonly known as "tenant's improvements." All such insurance that is individually carried must contain a waiver of subrogation rights by the insurer as to other Owners, the Association, Declarant, and Mortgagees.

12.06 Management Committee's Authority to Revise Insurance Coverage.

(a) Subject to any restrictions imposed by the Act, the Management Committee shall have the power and right to deviate from the insurance requirements contained in this Article XII in any manner that the Management Committee, in its discretion, considers to be in the best interests of the Association. If the Management Committee elects to materially reduce the coverage from the coverage required in this Article XII, the Management Committee shall make all reasonable efforts to notify the Owners of the reduction in coverage and the reasons therefor at least thirty (30) days before the effective date of the reduction.

(b) The Association and its Directors and Officers shall have no liability to any Owner or Mortgagee if, after a good faith effort, (i) the Association is unable to obtain any insurance required hereunder because the insurance is no longer available; or (ii) if available, the insurance can be obtained only at a cost that the Management Committee, in its sole discretion, determines is unreasonable under the circumstances.

(c) The Management Committee is authorized to negotiate and agree on the value and extent of any loss under any policy carried by the Association, including, but not limited to, the right and authority to compromise and settle any claim or enforce any claim by legal action or otherwise and to execute releases in favor of any insurer.

(d) Each Owner, by acceptance of a deed to a Unit irrevocably appoints the Association as that Owner's attorney in fact for purposes of procuring, negotiating, accepting, compromising, releasing, settling, distributing, and taking other related actions in connection with any insurance policy maintained by the Association and any losses or claims related thereto and agrees to be bound by the actions so taken as if the Owner had personally taken the action.

12.07 Periodic Insurance Review.

The Management Committee periodically (and not less than once every three (3) years) shall review the Association's insurance policies and make such adjustments to the policies' terms and conditions as the Management Committee considers to be in the best interests of the Association. Any given portion of the Additional Land shall be deemed added to the Condominium Project at such time as a supplement to this Declaration and to the Map containing the information required by the Act and by this Section 15.07 has been recorded with respect to the portion of the Additional Land concerned. After the recordation of such supplements, title to each Unit thereby created within the portion of the Additional Land concerned and its appurtenant undivided ownership interest in the Common Areas shall be vested in and held by Declarant, and none of the other Owners shall have any claim or title to or interest in such Unit or its appurtenant percentage of undivided ownership interest.

Such description shall provide essentially the same type of information as is provided in this Declaration with respect to the Convertible Land or Buildings and improvements initially included in the Condominium Project.

(d) The Unit Number of each Unit being created within the portion of the Additional Land concerned and any other data necessary for the proper identification thereof.

(e) The Size of each Unit being created within the portion of the Additional Land concerned.

(f) A description of any Limited Common Areas being created within the portion of the Additional Land concerned, together with a designation of the Unit to which each is appurtenant.

(j) Such other matters as may be necessary, desirable, or appropriate and as are not consistent with any limitation imposed by this Declaration.

(c) Upon recordation of the supplements contemplated above, the revised schedule of undivided interests contained therein shall automatically become effective for all purposes and shall completely supersede any similar schedule which was contained in any Declaration or supplement previously recorded in connection with the Condominium Project or any portion of the Additional Land. And upon the recordation of such supplements they shall automatically supplement this Declaration, the Map, and any supplements previously recorded. At any point in time, the Declaration and Map for the Condominium Project shall consist of this

Declaration and the Map initially effective hereunder, as amended and expanded by all supplements theretofore recorded pursuant to the terms hereof.

(d) Upon the adding of any portion of the Additional Land to the Condominium Project, it is contemplated that the Additional Land will be improved with one or more buildings including residential and commercial condominium units, general common areas and limited common areas, and associated parking, amenities and improvements. Declarant shall have the exclusive right to determine the timing, size, configuration and dimensions of the portion of the Additional Land to be added to the Condominium Project and any improvements, units, general common areas and limited common areas located or to be located thereon; provided that no unit shall be created on the Additional Land that is not substantially identical to the Units to be originally constructed on the Land pursuant to this Declaration and as depicted on the Map. Without limiting the generality of the foregoing, Declarant may add all or any portion of the Additional Land to the Condominium Project at different times and in such order as Declarant in its sole discretion may determine, and shall have the exclusive right to determine the boundaries of any such portion, and the type and location of any improvements to be made thereon. Upon the adding of any portion of the Additional Land to the Condominium Project, Declarant will endeavor to make any improvements to such Additional Land compatible with the Improvements on the Land in terms of the quality of construction, the principal materials used and architectural style, such compatibility to be determined by Declarant in its sole discretion, but no assurances with respect to such matters are made. Declarant gives no assurance that any improvements, units, general common areas and limited common areas will be made on any portion of the Additional Land, or with respect to the location or nature of any such improvements, units (except the substantial similarity of additional units, if any, as provided in this subpart (d)), general common areas and limited common areas.

(e) Such parts of or interests in a portion of the Additional Land which is added to the Condominium Project as do not become Units shall be and remain Common Elements. Until such time as any given portion of the Additional Land added to the Condominium Project has been fully developed and improved in the manner contemplated by the instruments through which such portion was added, unless Declarant gives its prior written consent thereto, no easement, right-of-way, or similar matter affecting any part of such portion shall be granted or created, no improvement to or work on any part of such portion shall occur, and no other action shall be taken with respect to such portion which would or might impair Declarant's ability to exercise its rights concerning the same.

(f) Nothing set forth herein shall obligate the Declarant to add all or any portion of the Additional Land to the Condominium Project. In addition, the Declarant reserves the right to create on the Additional Land, or any portion thereof, a separate condominium project that is not subject to this Declaration provided that Declarant expressly so provides in the legal documents creating such separate condominium project and Recorded in the Salt Lake County Records. In the event Declarant exercises the right reserved in the immediately foregoing sentence, the right of Declarant to add such portion of the Additional Land upon which such separate condominium project is located shall cease as of the date on which the legal documents creating such separate condominium project are Recorded.

(g) Except to the extent specifically indicated herein, this Declaration is not intended, and shall not be construed so as, to impose upon Declarant any obligation respecting, or to restrict Declarant in any way with regard to: (i) the creation or construction of any Unit, Building, or other improvement; (ii) the carrying out in any particular way or within any particular time of any development or addition to the Condominium Project which may be undertaken; or (iii) the taking of any particular action with respect to the Land, the Condominium Project, or any portion of the Additional Land. Except to the extent specifically indicated herein, no covenant, restriction, limitation, representation, or commitment in this Declaration concerning anything that is or is not to occur, apply, or be done concerning anything that is or is not to occur, apply or be done on or relative to the Additional Land or any portion thereof shall be binding as to such of the Additional Land that is never added to the Condominium Project. Except as expressly set forth herein, there are no other limitations on the option of Declarant to expand the Condominium Project upon the Additional Land.

No provision or requirement of this Article XVI shall apply to any Special Declarant Rights or other rights reserved to Declarant in this Declaration.

Whenever an Association Document requires that an action be taken after "notice and hearing," the following procedure shall be observed. The party proposing to take the action (e.g., the Management Committee or a committee or officer of the Association) shall give at least three (3) days' prior written notice of the proposed action to all Owners whose interests would be significantly affected by the proposed action, as reasonably determined by the proposing party. The notice shall include a general statement of the proposed action and the date, time and place of the hearing. At the hearing, the party proposing to take the action, and all affected Owners may give testimony orally, in writing or both (as specified in the notice), subject to reasonable rules of procedure established by the party conducting the hearing to assure a prompt and orderly resolution

of the issues. Such evidence shall be considered in making the decision but shall not bind the decision makers. Any affected Owner shall be notified of the decision in the same manner in which notice of the hearing was given. Any Owner having a right to notice and hearing shall have the right to appeal to the Management Committee from a decision of a proposing party other than the Management Committee. Such right of appeal may be exercised within ten (10) days after an Owner receives notice of the decision, by filing a written notice of appeal with the Management Committee. The Management Committee shall conduct a hearing within forty-five (45) days thereafter, giving the same notice and observing the same procedures as were required for the original hearing.

17.05 Nonwaiver.

Failure by Declarant, the Association or any Owner to enforce any covenant, condition, restriction, reservation, easement, assessment, charge, lien or other provision of this Declaration or any other Association Document shall in no way be deemed to be a waiver of the right to do so thereafter.

18.01 Term.

The covenants, conditions, restrictions, reservations, easements, assessments, charges and liens set forth in this Declaration shall run with and bind the Land until the Declaration is terminated pursuant to Section 18.02 below.

18.02 Termination.

Subject to the rights of Mortgagees under Article XVI above, the Owners may terminate the Condominium Project and this Declaration, by the vote of 100 percent of the votes allocated to all Units. If the necessary votes are obtained, the agreement of the Owners to terminate the Condominium Project and this Declaration shall be evidenced by a termination agreement or ratification thereof, executed by the required number of Owners in accordance with the Act. Upon recordation of the termination agreement in the Salt Lake County Records, the Condominium Project shall be terminated, this Declaration shall have no further force or effect, and the Association shall be dissolved. Notwithstanding the foregoing, the Owners may not terminate the Condominium Project during the Declarant Control Period without Declarant's prior written consent, which consent Declarant may withhold in its sole discretion.
